Dear Mr. French:

In accordance with the final Federal Financial Report submitted October 1, 2012, the referenced Assistance Agreement has been completed and the grant paid in full. The project file will now be closed out.

EPA regulations require that you retain all records for a period of three years following submission of the final expenditure report, with the following qualifications:

If any litigation, claim or audit is started before the expiration date of the three year period, the records shall be retained until all litigations, claims or audit findings involving the records have been resolved.

Records for equipment and real property acquired with EPA grants funds and/or non-federal cost sharing shall be retained for three years after final disposition of such equipment or property.

If you have any questions, please have your staff call Douglas Roberts, Grants Specialist, at (215) 814-5279.

Sincerely,

Kathleen M. Blinebury, Chief
